

SNOWGOOSE²
REVERSIBLE

SNOWGOOSE²
REVERSIBLE

Snowgoose 2[®] is the new reversible fleece from Rowlinson. With all the inherent performance of Snowgoose but now with a showerproof nylon outer and a polar fleece inner.

The garment is completely reversible and offers warmth as well as protection from the weather. It also has many features like the reflective strips which make it safer for children to wear in winter conditions.

Snowgoose 2 - Warmer for longer™

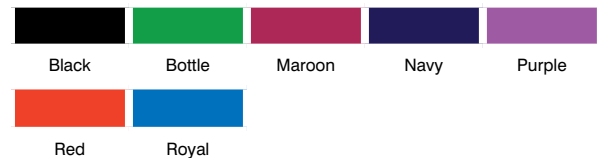

Reversible shower proof zip through jacket

Sizes: 2-3yrs to XXL

Fabric: A warm lightweight zip through garment with a showerproof woven nylon outer and polyester micro polar fleece inner. Polarfleece is an ideal cold weather fabric: it insulates by trapping air within the pile of the fabric whilst retaining its lightweight and superlative easy care properties.

Make up: Shower proof woven nylon outer with polar fleece inner for warmth and comfort. Concealed hood in collar. Safety reflector ribbon across back and on pockets for ages 2-3 to 13yrs. Wash at 40°C and cool tumble dry.
