

With thanks to William Turner & Son Limited who supplied the ties.

Snowgoose® offers a snug winter fleece for those chilly situations outside. Its brand heritage means that it is easily recognisable by the consumer and is probably the premier fleece for Schoolwear.

This product is big on safety as well as warmth, the full zip anti-pill fleece jacket complies with European Standards on mechanical safety meaning there are no toggles or gimmicks which might harm children when out at play.

### Snowgoose - Warmer for longer™

Polar fleece zip through jacket

**Sizes:** 2-3yrs to XXL

**Fabric:** A warm, lightweight zip through garment in Polyester Polar Fleece. The fabric is given a special anti-pill finish which maintains its appearance after washing. Polar Fleece is an ideal cold weather fabric, as it insulates by trapping air within the pile of the fabric, whilst being a lightweight fabric to wear, and yet easy to care for.

**Make up:** Zip through jacket in 300gsm 100% Polyester Polar Fleece offering easy wash and care properties. The fabric is crease resistant and requires no ironing. Zip through styling for ease and versatility in wear, with two zipped pockets for security. Eye catching split front detail and top stitched throughout, and with elasticated cuffs for a snug fit.
