woodbank®

The Woodbank® range meets the need for functional and affordable clothing and represents excellent value for money. At the same time the garments retain all the quality features which you would expect from a Rowlinson product.

The sweatshirt is 65 / 35 polyester cotton and is Oeko-Tex approved. Engineered to 280gsm weight it is heavier than many standard acrylic sweatshirts and offers excellent easy care properties and continuity of shading for customers who wish to take advantage of the excellent value.

Reactive dyed it keeps its colour wash after wash.

Cardigan
Jogpant

Sizes: 2-3 years to XXL

Fabric: 65% Polyester / 35% Cotton, 280gsm – hard wearing fabric which is brushed for warmth and with excellent colour fastness achieved through the high technical process of reactive dyeing. This mix offers great easy care – wash at 40°C, cool tumble and cool heat ironing.

Make up:

- Classic raglan sleeve – manufactured for ease of movement and comfort of the wearer
- Elasticated cuffs and hem rib. Reinforced top stitched sleeve seams for strength, together with twin needled neck, cuff and hem for neatness and strength
- Matching jogpants available which comply with British Standard BS 14682:2004 “Safety of Children’s Clothing”
- Seam covered back neck (except age 2-3)
